PROFILE SUMMARY

I'm a passionate and detail-oriented Front-End Developer skilled in HTML, CSS, JavaScript (ES6+), React.js, Vue.js, TailwindCSS, and Bootstrap. I have hands-on experience with PSD/Figma to HTML conversion, responsive web design, and accessibility. I'm also familiar with backend technologies like Node.js and Express.js. Currently pursuing a BSCS at Government College University, Faisalabad, I'm eager to apply my skills and grow through real-world web development projects.

WORK EXPERIENCE

Front-End Developer Intern   MAY 2024 – JULY 2024

- Developed responsive websites using HTML, CSS, and JavaScript (ES6+).
- Converted Figma/PSD designs into functional web pages.
- Ensured mobile responsiveness and cross-browser compatibility.
- Integrated APIs and implemented basic backend logic using Node.js and Express.js.

Web Developer Intern   August 2024 – February 2025

- Built interactive UI components using React.js and Vue.js.
- Improved performance using TailwindCSS utility classes.
- Debugged frontend issues and ensured consistent UX across devices.
- Created backend routes and handled API integration.

Highlights

A snapshot of hands-on web development experience and project outcomes.

- Built 10+ responsive websites
- Converted Figma/PSD to HTML
- Open-source contributor
- Clean, accessible code
- Team & client collaboration
